

Connecting to Naviance

New Garden Friends School is pleased to provide sophomores, juniors and seniors, Family Connection from Naviance, a Web-based service designed especially for students and parents.

Family Connection is a comprehensive Web site that parents and students can use to help in making decisions about colleges and careers.

Family Connection is linked with my office, a service that we use to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

Family Connection will allow parents and your high school student to:

- Get involved in the planning and advising process - Build a resume, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and careers
- Research colleges - Compare GPA, standardized test scores, and other statistics to actual historical data from students who have already applied
- Sign up for college visits - Find out which colleges are visiting our school and sign up to attend those sessions
- Family Connection also lets us share information with parents and students about up-coming meetings and events, local scholarship opportunities, and other Web resources for college and career information.

In addition, the site includes a link that your child can use to send us an e-mail message. To visit our school's Family Connection site, use your Web browser to connect to
