

PARENT AND COMMUNITY ASSOCIATION PCA

LEARN
MORE

The Parent Community Association is similar to most schools' PTA. All NGFS parents, guardians, faculty, and staff are part of the PCA. The PCA is here to support the teachers and administration through volunteer support, special events, and family opportunities.

If you are looking for ways to become more involved, wanting to connect with other NGFS families, or have any questions or ideas about our school, the PCA is the perfect place to start!

WHO WE ARE

WHAT WE DO

The Parent Community Association exists primarily to support the school in its mission to provide an exceptional and rich educational environment for our children. The PCA works to achieve this goal through Staff Appreciation, volunteering, and serving as a network for parents to both lend and ask for support within the school community.

The PCA typically meets once monthly to discuss questions, concerns, and ideas. The PCA works closely with the Philanthropy Office to develop community engagement.

1. Attend Meetings & Make Connections

PCA hosts monthly meetings with various topics of discussion, including: community activities to participate in, resources for families, and ways to get involved. This is a great way to get to know other families from both campuses and connect as parents.

2. Volunteer

The PCA's biggest volunteer opportunity is at our Fall Unity Festival. "FUF" is a beloved NGFS tradition that would not be possible without generous parents and community members devoting their time before, during, or after the event.

3. Join a committee

NGFS PCA has many committees dedicated to keeping our school a safe, supporting community for all. Learn more about each committee and find what fits your interests!
