

## **Extended Care for Preschool-6th Grade students now open for enrollment**

Please visit [our website](#) for more information about Extended Care, including directions for using [CampSite](#), the online platform used for Extended Care enrollment.

To use Extended Care, you must either select a **full-time plan** or use the **weekly options**. A family may change its plan once during the school year.

### **Options available:**

- **Full-time plans for the 2023-24 School Year (August 23-May 30)**
  - Morning and Afternoon Care: \$3600**
  - Afternoon Care only: \$3350**
  - Morning Care only: \$1200**
- **Weekly options for specific dates needed**
  - \$20/day**
  - \$35/half day**
  - \$55/full day**

See the [Academic Calendar](#) for Extended Care operation schedule.

**Extended Care opens at 7:30 a.m. and closes at 6:00 p.m.**

To enroll in Extended Care, visit [CampSite](#) to create or update your account.

*Regardless of whether you use the Extended Care program full-time or occasionally, all authorized pickups must be added to your account from the Authorized Pickup tab. These are automatically set inactive by the system at the beginning of the summer, so if you have previously enrolled in Extended Care, you will need to set any Authorized Pickups you wish to carry over back to active. Students will only be released to the care of individuals on the Authorized Pickup list in CampSite.*

**If you are selecting a Full-time plan**, sign in to CampSite and:

1. From the "Enrollment" tab, enroll in the appropriate bundle under the "Year-Round Extended Care" enrollment option.

2. From the “Financial” tab, add a credit card to your CampSite account as a primary payment method.

*Note:* when you enroll in Year-Round Extended Care, your balance will reflect the full amount for the year. One tenth of the total plan fee will be charged ten times during the year. If you start a full-time plan during the school year, Extended Care will be prorated based on when you start using Extended Care.

**If you are not selecting a Full-time plan**, in CampSite weekly options are listed by dates covered. When selecting a weekly option, you will select how many days you need for that week and then select the specific dates. Weekly options are open for enrollment until Friday of the preceding week. Once enrollment has been submitted, you will not be able to alter the selections yourself. If a change in enrollment is necessary, or you have any questions about the enrollment process, please contact Paul at [pnguyen@ngfs.org](mailto:pnguyen@ngfs.org).
